Ravi Maurya

GOVT. POLYTECHNIC, GHAZIABAD

Letter of Intent

Dear Ravi Maurya

We are delighted to welcome you to Tata Motors, an organization rooted in trust and committed to excellence, responsibility and nation building with sustainable long-term value creation.

With reference to your application and subsequent participation in the selection process, we are pleased to inform you that you are provisionally selected for the position of Shop Floor Operating Engineer through Lakshya - Earn & Learn Program.

Your Tentative Date of Joining: July/August 2026

Your appointment with the Company will be subject to the successful fulfilment of the following conditions:

1. Successful completion of all academic requirements and attainment of the minimum qualifying percentage/grade as prescribed by the Company and communicated to you.
2. Satisfactory completion of background verification and medical fitness clearance, as certified by the Company's designated medical practitioner.
3. Final posting / training would be communicated to you closer to your date of joining and will be determined based on business requirements. You may be assigned in any of our group companies. The company reserves the sole right to make changes to the date of joining and the location of posting during the course of your training and employment.

Closer to your date of joining, you will receive a **formal Appointment Letter** specifying your confirmed date of joining, induction location and final posting details.

Please note that this Letter of Intent is **provisional in nature** and shall automatically stand withdrawn, without any further notice, in the event of non-fulfilment of any of the above conditions.

At Tata Motors, we believe in shaping careers with purpose—empowering young talent to learn, grow, and contribute meaningfully to building a sustainable and inclusive future. We look forward to your joining us and wish you a rewarding beginning to your professional journey.

Best wishes for a successful journey ahead.

Regards,

Sitaram Kandi
